

WE'RE HIRING! ASSISTANT SAILING INSTRUCTOR

The Sailing Center is looking for an excellent sailing instructor to work with our Summer Camp. It will be a fun and well-compensated position for a qualified person who enjoys youth and being on the water in our beautiful community.

Do you know of someone who fits the following description? Please read and share this description widely!

JOB DESCRIPTION

The Key West Community Sailing Center, located in the heart of beautiful Key West Florida, is seeking a sailing instructor to teach youth sailing during its Summer Sailing Camp program. The instructor will work alongside the Head Instructor. The position is for a full time Monday-Friday salaried 10-week program beginning May 31st, ending August 6th. The position could lead to a permanent employment position for the right candidate.

Candidates should be familiar with at least several of the following boats: Optimists, O'pen Skiffs, Lasers, Sunfish, 420s, Hobie Waves. Proficiency in power boat handling is required. Candidates are expected to promote and provide a fun and safe learning environment, focused on safety, boat handling skills, and the basics of sailing. Indoor and outdoor activities, including knots, games, snorkeling, and drills are common when undesirable weather causes sailing to not be an option.

We offer a highly competitive salary along with additional compensation opportunities including, but not limited to, private lessons beginning in mid-May during the days prior to the start of summer camp, or after summer camp hours.

Resumes can be sent to Russ Vickers, Commodore: RussVickers@comcast.net

Job Requirements

Applicants must have at a minimum US Sailing Level 1 Sailing Instructor certification, CPR & First Aid Certification, and proficiency in power boat handling. Previous experience with youth sailing instruction is a plus.
