## Youth Summer Sailing Program Scholarship Donation Form

The Key West Community Sailing Center is offering a *Youth Summer Sailing Program* again this year for students ages 5 to 17. In prior years many children have successfully completed this program and benefited from the experience. However, there are many less fortunate children who cannot attend the program.

With this in mind, the Sailing Center is starting a *Scholarship Program* for summer youth sailing. The purpose of this scholarship program is to provide children in our community, who otherwise would not be able to afford the program, to have the opportunity to learn and practice sailing in a fun and safe environment based on US Sailing guiding principles.

Learning to handle small craft teaches students seamanship, safety, self-reliance, planning and thoughtful decision making, communication, team building and trust – building confidence while having fun on the water.

Each scholarship of \$250 will pay for one student to attend a one week (5 days) session in the sailing program at the Key West Community Sailing Center. Scholarships will be awarded to children from the Key West Boys and Girls Club as well as from children from Keys to Be the Change, Inc.

***Please consider a scholarship donation.*** Simply complete this application form and bring it to the sailing center and place it in the grey letter box in the club house or mail it together with your payment to:
